To whom it may concern:

Sherman Bryant, CEO of CE FLNG, LLC, wishes to file a letter of support concerning DOE policy to the CE FLNG docket.

This letter of support was served on all intervenors listed in the official service list on May 30.

Must we file a motion to file additional written comments, showing good cause why the letter of support should be admitted, or will it be sufficient to file pursuant to 10 CFR Section 590.103(a)?

Respectfully,

Justin S. Mann
