

Workshop on UK-US Collaboration on Energy RTD

Omni Penn Hotel, Pittsburgh, Pennsylvania, Monday 24th May 2010

The aim of this workshop is to provide the UK and US representatives with an update on industry-focused RTD priorities in both countries in the area of Fossil Energy R&D. It will also act as a forum to explore potential new opportunities for future collaborations under the UKDECC-USDOE MOU on Energy RTD.

Sunday 23rd May 19.00 Meet for drinks and introductions in hotel bar
